!! SEAT UPDATES !!

(UPDATED: 3/2004)

OPERATIONAL
UPDATES
2004

- The new 2004 ISOG has been updated and is available to download off: http://www.fire.blm.gov/aviation/ Changes made to the 2004 ISOG will be *italicized* for easy identification. Look for changes or updates in the following areas:
  - *   Pilot Qualification, Certification, Currency and Experience.
  - *   Level One Rating / Re-currency Requirements.
  - *   SEAT Manager Position / Training Experience
  - *   Operations from Large Airtanker Bases
  - *   New Mission Briefing Requirements
  - *   Flight Following / Resource Tracking Requirements
  - *   SEAT Loading and Re-fueling
  - *   New Terms in the Glossary (Fire Traffic Area / Red Flag Warning)

Hard copies of the 2004 ISOG will be available through the Great Basin Cache around April 1st. New color for the 2004 ISOG will be RED.
